## Contingency day 2019

Wednesday 26 June will be a 'contingency day' for all exam boards in the UK.

In line with Ofqual's exam system contingency plan, this is an additional day at the end of the exam period.

It will only be used in the event of major local or national disruption to Summer 2019 exams, in which case it is possible that timetable dates could be affected up to and including the contingency day.

Students will need to make sure that they are available until 26th June 2019.
