As a parent you naturally want the very best for your son or daughter and choosing the right school is one of the most important decisions you will ever need to make with them. You want them to be happy and successful, so you need to feel confident that Bingley Grammar School will provide an environment where this will be achieved.

I can assure you that it will. Bingley Grammar School is a thriving and dynamic school, rooted in a rich history but looking to the future with eagerness. Our purpose is to prepare students for the next stage of their lives which will be characterised by rapid change be it in work or in Higher Education. The school prides itself on being part of the wider Bingley community and students are encouraged to participate fully in the life of the school and to be active in the community.

At Bingley Grammar School we educate students to become successful individuals who will play a valuable role as future citizens. We do this by offering a nurturing environment that mixes the best of traditional values with an exciting curriculum for the 21st Century.

Our commitment to offering a developmental and dynamic curriculum is evident in our recent appointment as an NCCE Computing Hub, a national Centre of Excellence in Computer Science. As one of only 23 schools nationally to be acknowledged for our successes in the Science, we aim to build on that success moving forward.

We are a ‘can do’ community where we aspire for excellence in everything we do. Our students are confident, enthusiastic and enjoy learning because we celebrate their successes and recognise their individual talents.

However, education is a partnership and we need parent’s support in encouraging your son or daughter to aim high and give of their best, to make them believe in their enormous potential. Our buildings may not be the newest but it is not the buildings nor our facilities that make us special, but our desire to keep on improving.

Our most valuable assets are the strong bonds that exist between our students, staff and parents. Without these no school can expect students to truly succeed. I am very proud to be the Headteacher of Bingley Grammar School and I look forward to welcoming you and your sons and daughters to our school.

Hello and thank you for your interest in Bingley Grammar School and for taking the time to read our prospectus. We are very proud of our school community, and as this prospectus can only give you an initial impression of our school, I urge you to visit us to see for yourself the outstanding educational opportunities that we provide.

BINGLEY GRAMMAR SCHOOL
A very warm welcome to Bingley Grammar School

Our Mission
At Bingley Grammar School we belong to a school community where we feel safe, connected, understood, and supported.

Bingley Grammar School inspires students and staff to grow and achieve their full potential by providing guidance, support and opportunities. We will succeed because we have the drive and determination to be the best we can be in all aspects of our lives.

A fantastic place to learn new things, meet new friends and reach your full potential...

As a student at Bingley Grammar School you will belong to a school that was founded in 1529 and has a rich history.

Many students have gone on to become distinguished academics, highly successful in the sporting arena or have excelled in other areas. We are proud of our past and determined that this legacy of success is carried on in the future.

You will also belong to different groups within school including a tutor group, year group, teaching group and house team. All of these will require you to try your best and reach your full potential. You also belong to your local communities. Bingley Grammar School expects you to represent the school positively in the wider community, especially when travelling to and from school. Alongside your studies, you will work towards earning ‘LORIC’ awards. These represent achievement in extra-curricular activities and personal development in 5 key areas: Leadership, Organisation, Resilience, Initiative and Communication.

Our ethos has been developed to highlight the fundamental core values that we hold in school and will be used in all aspects of school life to drive us forward in our journey at Bingley Grammar School.

Belong Grow Succeed

Every day, in every lesson we expect you to learn and make progress. This will require you to give 100% effort and ensure that all work is completed to the best of your ability, including homework.

You will also grow physically and emotionally whilst you are at Bingley Grammar School. Our Pastoral Support teams are there to ensure that you are supported through this time and will address any issues that you may have.

We believe LORIC encourages our students to try new things, take on new responsibilities and expand their attributes and skills sets.

Our most valuable assets are the strong bonds that exist between our students, staff and parent/carers.

Our most valuable assets are the strong bonds that exist between our students, staff and parent/carers.

Belong
- To promote a caring school community
- To support our students to feel safe and happy in school
- To encourage respect for others
- To understand the world around us

Grow
- To develop socially, academically, morally and spiritually
- To show progress in your learning by achieving your goals

Succeed
- To achieve your full potential
- To gain academic results that allow you to choose your next steps
- To become a responsible young adult

Success comes in many forms...

We want you to do the best that you can in tests, assessments and exams.

Our aim is to give you the best possible outcomes to ensure that you have choices when it comes to deciding your future.

Success may also come in the form of sporting activities or other extra-curricular clubs that you may be part of. We have a variety of clubs and societies that we encourage you to get involved in.

We want you to succeed in life; we want to help you develop into positive citizens who have the skills and ability to succeed in whatever you decide to do.
