6<sup>th</sup> March 2020

Dear Parent/Carer,

Unfortunately, due to circumstances beyond our control, the trip to the Big Bang in Birmingham on the 12<sup>th</sup> of March has had to be cancelled. Apologies for any inconvenience that this may cause. The information that we have received from the organisers is below

## Big Bang UK Fair 2020 Cancelled

**We are sorry to let you know that The Big Bang Fair 2020, due to take place on 11-14 March has been cancelled and will be closed on all advertised dates.**

We have been actively monitoring and following advice about the novel coronavirus Covid-19 over the past weeks. The unique nature of The Big Bang Fair - an indoor, hands-on interactive event for tens of thousands of young people, their teachers and parents from across the UK - means that we feel this is the most appropriate decision to take at this time. We wanted to announce this decision as soon as we could to give as much notice as possible.

We are very disappointed not to be in a position to go ahead as planned. We know that cancellation of the event will be disappointing for the schools, families and young people who had booked to attend as well as our sponsors and exhibitors.

Thank you for your understanding and we hope to see you all this time next year at The Big Bang Fair 2021.

In the event of any future science trips that may be offered, your son/daughter will be given first refusal of a place.

Once again many apologies for any disappointment caused.

Yours sincerely

Mrs A Dodsworth

(Teacher of Science)

Headteacher Mr Luke Weston MSc BSc.
