Mr Booth’s Head of Year Message

Year 7, Week 11

Hello everyone,

Hope you are all doing OK at the moment. It seems we are going to have a few days of pretty hot and sunny weather so I hope you can get outside for a bit and make use of this (after doing school work of course...)

Great to see many of you producing some really good work and getting into the school newsletter. We are really impressed with the quality of some of the stuff you have produced...keep going.

This week's message is a question to ask yourself. There is more about this on Mrs Cartledge's lockdown PowerPoint which I have attached alongside the news review.

Do you make too many excuses?

We talk a lot about responsibility at school, and it is a big part of growing up. If you want to be treated as a young adult, then it is important you can accept more responsibility. Linked to this is whether we blame others too much. This is hard and it is sometimes a natural reaction for people. We need to challenge ourselves to step up and take more responsibility for things. Accept the hard challenges in life and don't make excuses. It is perfectly ok to fail, we just need to get back up and keep going.... this is a lot of what life is about.

Key things.
1. Your timetable will stay the same for the rest of the year, so keep up with the minimum 2 subjects a day.
2. If you have ICT problems or another issue, then please let us know
3. Stay safe online
4. Be kind

Enjoy the weather...

Take care everyone
Mr Booth
