Bingley Grammar School

11th September 2020

Dear Parents and Carers,

I am writing to welcome you back and introduce myself. My name is Mrs Roberts and I am the Key Stage Leader for Year 8. I am supported by Miss Qayyum who is the Student Support Officer for the year group. With Year 8 being the last year group back we have not managed to see all of them yet, however, over the coming week we will be going round to make further introductions.

Firstly, I hope you and your family are well and that you managing to return to a new 'normal'. As outlined by Mr Weston this will involve changes in school, however, myself, Miss Qayyum and all of their teachers will be there to support your son/daughter as we move forward. To support this return please can I draw your attention to:

<https://www.bingleygrammar.org/students/looking-after-personal-well-being-and-mental-health/>

Within this part of our school website it highlights what family and friends can do to support the well-being of children attending Bingley Grammar School. With regards other steps if you feel your child may need someone to speak with we can initially arrange this with one of the team below:

Head of Year - adele.roberts@bingleygrammar.org

Student Support Officer – nafeesa.qayyum@bingleygrammar.org

We also have our school nurse who can access further external services. We will update this part of the school website as the half term progresses and I will update you via ClassCharts when this happens.

Secondly, please could I ask that you revisit ClassCharts and ensure you have the correct login details. We will be using this to communicate with yourselves and the children - we will look to reward at every opportunity and it would be great if you can support with this. If you do not have the correct details, please contact:

nafeesa.qayyum@bingleygrammar.org

Thirdly, as highlighted the year team is available to support your son/daughter with anything over the coming months and indeed years. For this year we want Year 8 to be known for **'Respecting others, accepting responsibility for their actions, and show resilience in all that they do'**. We will look to nurture and reward this as we feel this is something that can help in the development of your son/daughter as they move into Year 8.

As we move forward we will use Class Charts as a way to communicate with you and through this platform we will provide updates and important information such as reports/assessments/important events news.

Headteacher Mr Luke Weston MSc BSc.

Bingley Grammar School, Keighley Road, Bingley, West Yorkshire, BD16 2RS **Tel:** 01274 807700 **Fax:** 01274 807713

Therefore, please could you ensure that you are able to login, celebrate the positives and support the school in addressing any concerns.

Finally, experience shows that when school and home work closely and collaboratively together children are more likely to reach their full potential and are prepared for the challenges ahead. Many thanks for your support so far and we look forward to working with you.

Yours sincerely

Mrs Roberts
Head of Year 7 band 8
